Product Summary

StockGro-Pasture Supplement

~ Supplement for Cattle Grazing Mature Green Feed ~

Product Code: GP17

Purpose:

StockGro-Pasture Supplement is a liquid feed supplement designed to improve green feed digestibility and feed conversion efficiency to boost production in cattle grazing maturing green feed.

Product Appearance:

StockGro-Pasture Supplement is a dark brown molasses-based liquid feed supplement with a creamy consistency.

Product Features:

- Contains two sources of protein in the form of Non-Protein Nitrogen to help elevate crude protein as pastures decline and to boost fibre digestibility.
- The inclusion of a unique blend of macro minerals and trace elements (I, Se, Cu, Mn, Mo, Zn, Co) to help support production, immunity, lactation and fertility.
- Fortified with Bovatec® for its beneficial effects on rumen health, feed conversion efficiency and lactation.
- Acidic salts to promote mineral mobilisation within the body.

Feeding Instructions:

Offer **StockGro-Pasture supplement** free access in polypropylene tubs or mixed in feed.
Use one tub for 40 – 60 animals. Place tubs of **StockGro-Pasture supplement** in positions in the paddock that are around 100 metres away from the water source.
Roughage in the paddock must be available and plentiful.
Animals should not be hungry or deficient in salt at the time of offering.

Typical Consumption:

Animal	Live Wt Range (kg)	Target Daily Intake (mL)
Weaners	160 – 230	75 – 150
Growing yearlings	300 – 400	150 – 300
Lactating cows	450 – 700	200 – 400

Cost:

StockGro-Pasture Supplement, at recommended daily intake levels, costs between 10 and 51 cents/hd/day based on level of consumption for targeted animals.

Caution:

- **Feed only to livestock intended.**
- **Do not allow access to sheep, goats or horses.**
- **See official label for product instructions.**

READ SAFETY DIRECTIONS

StockGro – Pasture Supplement

A complete, medicated liquid feed supplement for cattle, designed to accompany and balance mature green feed. Bovatec® is included to improve liveweight gain and feed conversion efficiency in beef cattle not destined for the EU and for the control of clinical signs of bovine coccidiosis.

Active Ingredient: Lasalocid sodium (as BOVATEC 20CC) 500mg/kg.
Also Contains:
Protein (11%), Energy (3 MJ/kg DM), Sodium (5%), Urea (3%), Sulphur (1%), Calcium (1%), Trace Elements, Vitamins and Anionic Salts.

Net Weight: 1,300kg

Directions for Use

Restraints:

USE ONLY to supplement beef cattle.

Contraindications:

This product should not be fed to dogs, horses or other equids or sheep as this may be fatal.
NOT TO BE USED as a single dose treatment.
DO NOT USE in lactating ewes which are producing or may in the future produce milk that may be used or processed for human consumption.
DO NOT feed more than 400mg/head/day of lasalocid sodium to lactating dairy cattle.
DO NOT feed with other ionophores e.g. monensin capsules, liquid or premix.

Reduced daily gain may result at 5 times and mortality from 15 times maximum recommended dose of lasalocid sodium.

Caution: This product contains selenium.

Excessive tissue levels of selenium are toxic. Care should be taken to avoid over-supplementation from this product and/or concurrent use of other products containing selenium. If blood selenium levels are high this product should not be used.

Additional Product Warning:

Do not feed this product to hungry and/or dehydrated livestock.
Access to clean, fresh water must be available at all times when product is in use.
Salt deficient livestock may overconsume. Talk to ANP before use.

Rates of administration:

Class of Cattle	**Typical Intakes/day**
Lactating Cows	200 to 400 mL
Growing Yearlings	150 to 300 mL
Weaners	75 to 150 mL

WITHHOLDING PERIODS: CATTLE: MEAT: Zero (0) days MILK: Zero (0) days

TRADE ADVICE: EXPORT SLAUGHTER INTERVAL (ESI): An ESI has not been established for this product. Note-observing the meat withholding period may not be sufficient to mitigate potential risks to export trade.

SAFETY DIRECTIONS: Harmful if swallowed. Will irritate the eyes and may irritate the skin. Avoid contact with eyes and skin. If product gets in eyes, wash out immediately with water. Wash hands after use. Additional information is listed in the Safety Data Sheet (SDS), available from AusFarm Nutrition Products.

FIRST AID: If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131 126

ENVIRONMENTAL STATEMENT: DO NOT Contaminate dams rivers streams or other waterways with the product or used bag.

DISPOSAL: Shake container into medicated feed. Do not dispose of undiluted chemicals on-site.
Do not burn empty bags or product.

STORAGE: Store in a cool dry place. Keep bag tightly closed.

THIS PRODUCT DOES NOT CONTAIN RESTRICTED ANIMAL MATERIAL

Condition of sale: AusFarm Nutrition Products accepts no responsibility for any consequences incurred from the use of this product outside of the instructions and recommendations outlined in the feeding instructions.
